## BENEFIT SUMMARY

# Wellbeing Modules

Give you the flexibility to plan your health cover to complement the life you live.

**Tailoring your cover:** Add the **Body Care Module** to **Wellbeing One** if you would like to extend your healthcare benefits to include a range of preventative and natural consultations and treatments. If you would like further healthcare benefits, then the **Body Care Module**, the **Day-to-day Care Module**, or the **Vision and Dental Care Module** can be added in any combination to **Wellbeing Two**.

# Example of benefits under our Wellbeing Modules

These are **some of the benefits** that our **Modules** offer. For more details on the benefits and maximums for these plans, and any exclusions or conditions that may apply, call 0800 800 181 and request a policy document.

### TERMS AND CONDITIONS

All dollar figures include GST charged by providers.

**Claims year** - This is not a calendar year, but each successive 12 month period from your claims anniversary date.

Claims fall into the period based on the date of treatment, not the date of the claim or receipt.

Other terms and conditions (including limitations and exclusions) apply. This benefit summary should be read in conjunction with the policy documents available on request.

\*See the chart in your policy document for how your refund will be calculated.
