

Southern Cross
Health Society

Affiliated Provider directory

2011/2012

+ Compounds found in garlic may lower the risk of stroke and heart disease.

How this directory works

The Affiliated Providers listed in this directory are listed by specialty and then by region.

| | |
|--------------------------------------|----|
| Cardiology | 4 |
| Clinical neurophysiology | 8 |
| Ear, nose and throat | 8 |
| Gastroenterology | 9 |
| General medical | 15 |
| General surgery | 15 |
| Gynaecology | 17 |
| Hearing tests | 18 |
| Imaging | 19 |
| Ophthalmology | 23 |
| Oral and maxillofacial surgery | 28 |
| Orthopaedics | 29 |
| Radiotherapy | 30 |
| Respiratory and sleep medicine | 31 |
| Rheumatology | 31 |
| Skin | 31 |
| Urology | 35 |
| Varicose veins | 37 |
| Vascular surgery | 47 |

How using an **Affiliated Provider** made it easier for Sarah

To find Southern Cross Affiliated Providers online,
please visit **www.southerncross.co.nz/affiliatedproviders**
If you need information about cover for any healthcare service,
please call us on **0800 800 181**.

- 1 Sarah had a sore knee so her doctor recommended she see a specialist...

- 2 ...which she found in her Affiliated Provider directory.

- 3 When Sarah arrived at the Affiliated Provider, she showed her Southern Cross Member card. She didn't have to phone for prior approval or fill out any claim forms.

- 4 After receiving treatment from her Affiliated Provider she was back on her feet in no time...

- 5 ...trying to teach Mr Perkins how to play netball.

Cardiology

Auckland

Ascot Angiography

90 Green Lane East
Remuera
09 520 9540

Dr Warwick Jaffe
Dr Albert Ko
Dr Andrew Maslowski
Dr Hitesh Patel
