The Southern Cross website provides information about Southern Cross plans, the Affiliated Provider network and some of the other benefits of Southern Cross membership. The following documents that form part of your Policy are regularly updated as we continuously review how we cover Healthcare Services and certain technology. So, you should always refer to our website at: southerncross.co.nz/plans for the latest versions:

The Eligibility Criteria, the list of Unapproved Healthcare Services, the list of Prostheses and Specialised Equipment, the list of Affiliated Provider-only healthcare services, the list of policy variations.

- The List of Prostheses and Specialised Equipment sets out the prostheses, specialised equipment and consumables, and donor tissue preparation charges that we cover as part of eligible surgical treatment under your Policy. We'll only cover prostheses, specialised equipment and consumables, and donor tissue preparation charges that are included on this list unless we say otherwise.
- The Eligibility Criteria set out the requirements that need to be met for us to provide cover. Southern Cross only covers certain Healthcare Services if the relevant requirement or requirements have been met. These requirements are as set out in the Eligibility Criteria.
- The list of unapproved healthcare services details the specific drugs, devices, techniques, tests, or other healthcare services that are not covered under any Southern Cross health insurance plans.
- The list of Affiliated Provider-only healthcare services shows all the Healthcare Services that need to be performed by an Affiliated Provider to be eligible for cover. Certain Healthcare Services must be performed by an Affiliated Provider to be eligible for cover under your Policy.
- This is a list of variations to your policy terms and conditions that may apply from time to time. These variations include the way we treat some exclusions (those listed from page 4 under exclusions) and certain benefit terms, or new ways of delivering Healthcare Services we're testing. This may mean you can access additional cover while these variations are included on the list of policy variations published on our website.

Any amendment or variation made to these documents from time to time (where relevant) is not subject to clause 6.2.

Policy claim forms can be downloaded from the website. The "contact us" page of the website can also be used.

Please note that communications to and from Southern Cross may be recorded and stored. This may include telephone calls, emails and online chat transcripts. This is done to have a record of the information received and given. This also helps Southern Cross with quality assurance, continuous improvement and staff training.

- 8.3 A Policyholder who leaves a Work Scheme or Association Scheme must contact Southern Cross within 1 calendar month of leaving the Scheme, to enable his or her Policy to be continued. If the Policyholder fails to do this, this Policy will be cancelled and, if the Policyholder then wishes to continue cover, he or she will need to take out a new Policy.
- 8.4 Southern Cross may cancel this Policy on written notice to the Policyholder for any non-disclosure, misrepresentation, fraud or other material breach of the terms of this Policy by the Policyholder or any Dependant and/or Southern Cross may recover any money the Policyholder owe us and/or take legal action against the Policyholder and/or any Dependant (as applicable).

Southern Cross may from time to time put new Eligibility Criteria in place or update the existing Eligibility Criteria to specify any additional terms and conditions that may apply to a particular benefit. Where the Policy is in arrears, Southern Cross will decline any claim. Subject to the terms of this Policy, Southern Cross will pay all Reasonable Charges for Approved Treatment up to the respective Policy Limits, less any Excess. If the costs of the treatment are greater than Reasonable Charges or Policy Limits the balance of any charges will be the responsibility of the Policyholder or Dependant.
- 10.2 A claim can be made under this Policy by submitting a completed claim form (online at MySouthernCross, via the MySouthernCross app, or by post), claiming electronically (via Easy-Claim) at selected Health Services Providers for a Healthcare Service or visiting an Affiliated Provider for a Healthcare Service. When a claim is made electronically via Easy-Claim for Healthcare Services (and is accepted by Southern Cross) or an Affiliated Provider provides a Healthcare Service, Southern Cross deems this to be a claim under this Policy. All claims are subject to the provisions of this Policy.
- 10.3 When a selected Health Services Provider claims electronically on the member's behalf for an eligible Healthcare Service, Southern Cross deems this to be a claim under the Policy and the Policyholder authorises Southern Cross to pay the Health Services Provider directly. For electronic claiming at a selected pharmacy, the first time the member claims electronically for an eligible Drug for the member or anyone else named on the Policy, the member is electing to electronically claim for that and any subsequent eligible Drug that the member wishes to acquire from that pharmacy and any subsequent transaction/s will be automatically processed as an electronic claim on the Policy unless the member advises Southern Cross or the pharmacy otherwise.
- 10.4 Before claiming for any Healthcare Service, the Policyholder must:
 - notify Southern Cross and request prior approval as soon as the Policyholder is advised that surgery is required. We recommend that you apply for prior approval at least 5 working days before the Healthcare Service is being provided. If you don't apply for prior approval and you're not using an Affiliated Provider, you'll have to pay for the Healthcare Service yourself and then make a claim. Without a prior approval, you won't know if the Healthcare Service is eligible for cover under your Policy or how much you'll need to pay yourself if it's not eligible for cover, an Excess applies, or the actual charges exceed Reasonable Charges or the Policy Limits.
 - provide details of the planned Healthcare Service and an estimate of the costs associated with the Healthcare Service;
 - if requested, provide sufficient clinical information to satisfy Southern Cross that the procedure being contemplated is Approved Treatment;
 - allow Southern Cross, at any time, to request that a second medical opinion is sought. Subject to the terms of the Policy, Southern Cross will at the Policyholder's request, nominate alternative Health Services Providers who Southern Cross considers to be suitably qualified.
- 10.5 To assist in processing please submit claims within 12 months of the date of the Healthcare Service, on a Southern Cross claim form containing all necessary particulars and original receipts. Where further evidence is required to support the claim, it will be the responsibility of the Policyholder to obtain this information and forward it to Southern Cross.

- 10.6 Where Annual Limits exist and the yearly amount has been exceeded for that Claims Year, claims cannot be carried forward to subsequent Claims Years. Annual Limits apply for each Claims Year, and are calculated by reference to the date on which the Healthcare Service is provided.
- 10.7 Southern Cross may make reimbursement directly to any Health Services Provider, rather than to the Policyholder.
- 10.8 All information provided in respect to any claim submitted under this Policy must be complete, true and correct. Any failure to do so may result in the claim being declined and/or the Policy being cancelled.
- 10.9 Southern Cross may decline any claim that it reasonably considers to be invalid or unjustified. Southern Cross may examine any claim for Healthcare Services and, where appropriate, investigate any aspect of the Healthcare Service provided.
- 10.10 Where a Policyholder has been overpaid on any claim Southern Cross reserves the right to recover the amount incorrectly paid out.
- 10.11 If any claim or other payment Southern Cross is due to make to the Policyholder remains unclaimed for 4 years or more, such payment may be applied for the benefit of Southern Cross.
- 10.12 Southern Cross is entitled to recover from the Policyholder any money owed in relation to this Policy at any time. The amount owed can be deducted from any claim payment or other payment made to the Policyholder.
- 10.13 Southern Cross has set out elsewhere in the Terms and Conditions how eligible Healthcare Services are reimbursed and any terms that may apply to such reimbursement. However, there may also be rare occasions where Southern Cross will not reimburse particular Health Services Providers for any Healthcare Services, for example in the case of fraud. In the rare circumstances that Southern Cross does not recognise a Health Services Provider for reimbursement it will first advise the Policyholder that there would be no cover for any Healthcare Service if it is carried out by that Health Services Provider. If the Healthcare Service itself is eligible for reimbursement Southern Cross will of course be able to approve the Healthcare Service with another Health Services Provider.

11. Affiliated providers

For certain Healthcare Services specified in the Schedule of Benefits, the Healthcare Service must be performed by an Affiliated Provider for that Healthcare Service to be covered under this Policy.

To see which Healthcare Services need to be performed by an Affiliated Provider to be eligible for cover, visit southerncross.co.nz/plans. Or you can find an Affiliated Provider that offers services covered by this benefit at healthcarefinder.co.nz

By having agreed prices for certain procedures, the Affiliated Provider can tell the Policyholder what (if anything) they will be required to pay for the Healthcare Service. A full list of Affiliated Providers and the Healthcare Services they offer can be found on the Southern Cross website or by calling Southern Cross. The Affiliated Provider network varies in services, and Affiliated Providers may not be available for all Healthcare Services listed in this Policy or in all geographic areas.

12. Multiple procedures and surgeons

Multiple Procedures will be reimbursed up to the surgical and medical treatment maximums listed in the Schedule of Benefits for the Policyholder's plan type.

Cover is only provided for one surgeon per Operation. If more than one surgeon or an assistant surgeon is involved in the Operation the Policyholder should inform Southern Cross at the time of prior approval so that Southern Cross can determine the extent of cover.

13. Suspension of cover

The Policyholder or their Dependants may suspend cover under the Policy for overseas travel on 3 separate occasions over the Lifetime of the Policy, and the Policy can be suspended for up to 5 years (60 months) in total.

There are certain conditions that apply as set out below.

Each of these conditions relates personally to the Policyholder or each Dependant who is travelling, and wishing to suspend their cover:

- The Policyholder or Dependant should contact us to suspend their cover before they leave New Zealand. If they contact us after leaving New Zealand, we will not suspend cover retrospectively (from the date they left New Zealand).
- the Policyholder or Dependant must have been covered by the Policy for at least 12 continuous months up to the date the suspension is to take effect
- any single period of suspension must be for a minimum of 2 months, and be for no more than 3 years (36 months)
- the Policyholder or Dependant can each suspend cover up to 3 times per Lifetime only
- the Policyholder or Dependant must be continuously covered under the Policy for a period of 12 months between the end of the last suspension and the commencement date of the next suspension.

If the Policyholder or Dependant are leaving New Zealand for a period greater than 36 months, contact Southern Cross to discuss the options available.

14. No liability

Southern Cross is not liable to the Policyholder or any Dependant in respect of the quality, standard or effectiveness of any Healthcare Service.
