Swimming regularly can reduce the risk of heart disease, stroke and type 2 diabetes. And it’s never too late to learn.
Welcome
to your RegularCare plan

Thank you for choosing us to help you take care of your health. This policy document sets out the benefits of your RegularCare plan.

The RegularCare plans

- **RegularCare** provides cover for surgical treatment, recovery, support, imaging and diagnostics, tests, consultations, non-surgical treatment, cancer care and day-to-day treatment, where you share the costs with Southern Cross.
- **RegularCare Budget** provides the same benefits as RegularCare but with a $100 excess. This means we deduct $100 from your total reimbursement for all claims you submit at any one time.

Financial strength rating

Southern Cross Medical Care Society (trading as Southern Cross Health Society) has an A+ (Strong) financial strength rating given by Standard & Poor’s (Australia) Pty Limited.

The rating scale is:

<table>
<thead>
<tr>
<th>AAA (Extremely Strong)</th>
<th>AA (Very Strong)</th>
<th>A (Strong)</th>
</tr>
</thead>
<tbody>
<tr>
<td>BBB (Good)</td>
<td>BB (Marginal)</td>

</table>

Ratings from ‘AA’ to ‘CCC’ may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the major rating categories.

Full details of the rating scale are available at standardandpoors.com. Standard & Poor’s is an approved rating agency under the Insurance (Prudential Supervision) Act 2010.

Please note that we may record and store telephone calls to and from Southern Cross. We do this to have a record of the information we receive and give over the telephone. This also helps us with quality assurance, continuous improvement and staff training. Your call will be handled in complete confidence, except to the extent we are authorised to discuss any aspect of your policy, any claim or health information relating to a claim or other information relating to your policy with other persons, as described in section 07 of this policy document.

Your policy document

This policy document should be read in conjunction with your Membership Certificate, the List of Prostheses and Specialised Equipment and any subsequent information we send to you regarding changes to this policy document or any of these related documents.

Terminology used in this policy document

When we have used bold type in this policy document, it means that the word has a special medical or legal meaning. We define some of these terms throughout this policy document, and the remaining terms are defined in section 08 at the end of this policy document.

Throughout this policy document, when we refer to we/our/us we mean Southern Cross and when we refer to you/your we mean the policyholder and any dependant listed on the Membership Certificate (unless otherwise specified).

If you do not understand any aspect of your policy, please contact us and we will be pleased to answer your query.

Changes to your policy

We may change or update which healthcare services are eligible, the scope of cover, terms and conditions of your policy and premiums for this policy from time to time. If we make any such changes, we will notify you in writing (including on our website or by email). The policyholder is responsible for advising dependants of any changes to the policy. If you are not happy with any of the changes we wish to make the policyholder can contact us within one month of the notification of changes to discuss alternatives or to cancel this policy. If the policyholder cancels this policy, cover will be provided until the date the policy is paid to.
Contents of this policy document

In the remainder of this introductory section you/your means the policyholder. Benefits under this policy are part of your entitlement as a member of Southern Cross.

The policy comprises:
• the Membership Certificate,
• this policy document, and any document that is incorporated by reference (ie eligibility criteria),
• the List of Prostheses and Specialised Equipment, and any amendment or variation made to them from time to time.

The Membership Certificate details:
• the key dates in respect of your policy,
• the people covered under your policy,
• the name of your plan and level of cover which applies,
• your Southern Cross membership number,
• any specific exclusions from cover for pre-existing conditions known to Southern Cross at the time of issue of the Membership Certificate applicable to the people covered under your policy, and
• any other information specific to your policy.

This policy document details:
• the terms and conditions of your policy, including limitations and exclusions,
• the process involved in making a claim,
• administration details relating to your policy, including how to make a change to it, and
• additional information relevant to your policy.

Certain terms and conditions of your policy are set out in this policy document as easy-to-understand questions and answers. It is important that you read all of this policy document to ensure that you fully understand the terms and conditions of your policy.

The List of Prostheses and Specialised Equipment forms part of this policy and is available on our website or by calling us.

The List of Prostheses and Specialised Equipment is important in determining the prostheses, specialised equipment and consumables or donor tissue preparation charges covered by this policy, as there is no cover for any prostheses, specialised equipment and consumables or donor tissue preparation charges that are not on this list.
Membership of Southern Cross

Your Application Form for this policy also constitutes an application by the policyholder for membership of Southern Cross. Therefore, you should read the Rules of Southern Cross which are available on our website southerncross.co.nz/rules or by calling us.

By applying for membership you agree (both for yourself and on behalf of your dependants) to be bound by the Rules of Southern Cross. On this policy being terminated (for whatever reason) your (and your dependants’) Southern Cross memberships will cease. Likewise, if the policyholder’s membership is terminated, this policy will be cancelled. If you join Southern Cross and cancel your policy during the 14 day period referred to under “How do I cancel my policy?” on page 25 of this policy document, then you will not become a Southern Cross member.
Your policy

With the RegularCare plan you share the cost of your healthcare services. This policy document sets out the benefits and terms and conditions of the RegularCare and RegularCare Budget plans. Your Membership Certificate sets out the plan type that applies to you – based on what you selected on your Application Form.

The policy limits set out in the Coverage Tables are set at a level which reflects the premium charged for RegularCare and RegularCare Budget.

In return for payment of the premium, we agree to provide you with cover for eligible healthcare services as set out in this policy document. When we say “cover” throughout this policy document we mean cover for claims calculated in accordance with the chart on page 6.

To be eligible to claim under your policy, your premium payments must be up to date.

Please remember that this policy is designed to complement the services provided by ACC and the public health service. This is why we have limited cover for healthcare services related to an accident or treatment injury and no cover for acute care.

This policy is only for New Zealand citizens, New Zealand residents or those otherwise entitled to publicly funded healthcare for all services as determined by the Ministry of Health from time to time.
## How to receive treatment and make a claim

### How does cover work under my policy?

The following chart has been included to describe how your cover for healthcare services works under the policy in an easy-to-understand format. Please note that in situations where you could claim all or part of the cost of your healthcare service from another insurer or other person (including ACC) you will need to refer to pages 9 to 11 to fully understand how your cover works.

You should note that this calculation applies to each eligible component from the Coverage Tables so your claim may be broken down before being assessed if it encompasses more than one component.

This chart does not relate to prescription drugs. To understand what cover is available for prescription drugs refer to page 8.

<td></td>
</tr>
</tbody>
</table>

For eligible healthcare services provided by an Affiliated Provider, unless you are advised otherwise by Southern Cross and/or your Affiliated Provider, we will pay 80% of the amount charged up to policy limits and your Affiliated Provider will tell you what you are required to pay.

We will pay the amount reached under the above calculation less any excess applicable and payable by you. You will be responsible for paying the balance.
What is an allowance?

An allowance is a fixed amount we pay towards the actual charges for certain eligible healthcare services. Details of the healthcare services which are covered by allowances and the amounts of such allowances are set out in the Coverage Tables on pages 14 to 20. Some allowances are only available as a one-off payment as specified in the Coverage Tables. You should note that almost always the allowances will be significantly less than the actual charges for the healthcare services and you must pay the balances of the charges yourself. In most cases we will pay 80% of the actual charges up to the fixed total dollar allowance limit.

Does my policy have an excess and if so how does it work?

Under the RegularCare plan no excess applies. However, under RegularCare Budget an excess of $100 will be applied to the total of all claims you submit at any one time.

If you apply for prior approval (see pages 7 and 8) and we pay your health services provider directly, then you will have to pay the $100 excess to your health services provider yourself.

If you use an Affiliated Provider for a contracted procedure the $100 excess will not apply.

Which health service providers are covered?

In order for a healthcare service to be eligible, it must be performed by a Specialist, General Practitioner, Nurse or by another health services provider practising in private practice with registration applicable to the healthcare service. If you are unsure whether any health services provider you are intending to use has appropriate registration or is a member of an appropriate organisation, please contact us.

The prior approval process

Call us to confirm whether your healthcare service is eligible for cover and the conditions that apply. You need to provide estimated charges from your health services provider, we can then inform you of your level of cover (including any excess payable by you) and whether or not the estimated charges exceed the policy limits for your intended healthcare service.

You must contact us for prior approval if the cost of your healthcare service is likely to be over $1,000 or where the healthcare service involves any hospitalisation (including day stay or in-patient surgery) regardless of the cost, unless you are using an Affiliated Provider. You should do this at least five working days prior to the healthcare service being provided.

If you do not contact us for prior approval before using the healthcare service, you will have to pay for the healthcare service yourself and then submit a claim. We will process the claim in accordance with your policy. By not contacting us for prior approval, you will not know what you are entitled to receive under this policy and what you are responsible to pay yourself. Amounts you are responsible for could arise due to an excess applying or due to the healthcare service not being eligible for cover under your policy, or the actual charges exceeding the policy limits.

What is an Affiliated Provider and what are the benefits of using one?

Southern Cross has entered into contracts with certain health services providers. These providers are called Affiliated Providers.

By having agreed prices for certain procedures, the Affiliated Provider can tell you what (if anything) you will be required to pay for your healthcare services. Unless you are advised otherwise by Southern Cross and/or your Affiliated Provider, we will pay 80% of the amount charged up to policy limits.

The Affiliated Provider will organise prior approval and submit any invoices to us. When an Affiliated Provider provides a healthcare service to you, we deem this to be a claim under your policy.

A full list of Affiliated Providers and the healthcare services they offer can be found at healthcarefinder.co.nz. The Affiliated Provider network varies in services, and Affiliated Providers may not be available for all healthcare services covered by this policy or in all geographic areas.

Can I use a health services provider that is not an Affiliated Provider?

Yes, you can (as long as the procedure is not Affiliated Provider-only).
Affiliated Provider-only procedures

Healthcare services specified in the Coverage Tables must be provided by an Affiliated Provider for that healthcare service to be covered under this policy.

Will my health services provider give me an estimate of the charges?

Under the Health and Disability Commissioner (Code of Health and Disability Services Consumers’ Rights) Regulations 1996 you have the right to receive an outline of the treatment, risks associated with the treatment and an estimate of charges from your health services provider before treatment takes place. Please provide this to us when you apply for prior approval. You should note that this is an estimate only. If the actual charges vary this may affect your level of reimbursement from us.

What if I have two or more surgical procedures at the same time?

When you have two or more surgical procedures simultaneously, sequentially or under the same anaesthetic the following will apply:

For eligible healthcare services provided by an Affiliated Provider, unless you are advised otherwise by us or your Affiliated Provider, we will pay 80% of the amount charged by your Affiliated Provider for each of the procedures up to the policy limits. For multiple surgical procedures provided by a Specialist who is not an Affiliated Provider, we will pay 80% of the actual cost of each procedure up to the policy limits.

If you are going to have two or more surgical procedures at the same time, you should inform us at the time of prior approval so that we can help you determine the extent of your cover with us.

What if I have more than one surgeon, an assistant surgeon or a registered nurse first surgical assistant involved in the operation?

Your policy provides reimbursement for one surgeon per operation only. If you are going to have more than one surgeon, an assistant surgeon or a registered nurse first surgical assistant involved in the operation you should inform us at the time of prior approval so that we can help you determine the extent of cover.

What if I need follow-up healthcare services after surgery?

After surgery, if you require additional surgery in connection with the initial surgery, you should contact us to discuss the additional surgery and apply for further prior approval. If the additional treatment relates to a treatment injury refer to page 11 for information.

Which prescription drugs qualify for cover?

Your policy provides different cover for drugs depending on what type of healthcare service they relate to.

- Drugs prescribed and taken in hospital during surgical treatment, non-surgical treatment or psychiatric care are covered as part of ancillary hospital charges.
- Chemotherapy drugs taken as part of chemotherapy treatment are covered as part of the chemotherapy treatment benefit.
- Any other drugs or prescriptions are only covered under the prescription benefit.

Unless specifically stated otherwise, for any drugs to qualify for cover, they must be Pharmac approved, prescribed by a Medical Practitioner in private practice and not otherwise excluded by your policy terms.

You can claim from Southern Cross 80% of the actual amount you pay for the drug (being the amount due after any Pharmac subsidy has been applied) up to your policy limits.

As an exception to the requirement for all drugs to be Pharmac approved, we do allow you to claim non-Pharmac approved chemotherapy drugs but only as specifically listed under chemotherapy treatment in the Coverage Tables.

If the drug you are prescribed requires a Special Authority from Sector Services, you are responsible for ensuring that your health services provider applies for and obtains such authority from Sector Services to receive the maximum subsidy you qualify for, prior to submitting your claim.

The definitions for all the terms can be found on pages 29 to 32 of this policy document.
The claiming process

How can I make a claim under my policy?

You can make a claim under your policy by submitting a completed claim form (online at My Southern Cross, via the My Southern Cross app, or by post), claiming electronically using Easy-claim for a healthcare service or visiting an Affiliated Provider for a healthcare service. When you claim electronically via Easy-claim for eligible healthcare services (and your claim is accepted by us) or an Affiliated Provider provides a healthcare service to you, we deem this to be a claim under your policy. All claims are subject to the provisions of your policy.

What do I need to provide to Southern Cross when I make a claim?

Unless you are visiting an Affiliated Provider or claiming electronically using Easy-claim you need to submit a completed claim form and itemised receipts, which include the date treatment was provided, for the healthcare services listed on the claim form. We do not accept EFTPOS or credit card receipts. The claim form must be fully completed to ensure that your claim can be processed promptly. If the claim form is being posted to us, please ensure the form is signed by you and that the original copies of the itemised receipts are included.

What rules apply when claiming electronically via Easy-claim?

When a selected health services provider claims electronically via Easy-claim on your behalf for an eligible healthcare service provided to you, we deem this to be a claim under your policy and you authorise us to pay the health services provider directly.

Please be aware that for electronic claiming at a pharmacy, the first time you claim electronically for an eligible drug for you, you are electing to electronically claim for that and any subsequent eligible drug that you may wish to acquire from that pharmacy and any subsequent transaction/s will be automatically processed as an electronic claim on your policy, unless you advise us or the pharmacy otherwise.

How long do I have to send in my receipts?

To assist in processing please submit claims within 12 months of the date of provision of the healthcare service.

Do I need to provide further information?

When you request a prior approval, we may ask you to provide us with a medical report. This will enable us to assess and advise you of the amount of your cover. Sometimes we may not be able to assess your claim from the claim form, invoices and receipts and we may need to contact you or the health services provider to clarify some details to enable us to assess the claim correctly.

In exceptional circumstances, we may need to ask a health services provider chosen by us, to advise us about the medical facts or examine you in relation to the claim. We will only do this when there is uncertainty as to the level of cover under the policy or the nature or extent of the medical condition. This examination and advice will be at our expense. You must co-operate with the health services provider chosen by us, or we will not pay your claim.

I might have cover under another insurance policy, or I could claim the cost of my treatment from someone else. What should I do?

First of all make claims against the other insurer or other person who may be liable, then complete a claim form for the full extent of your claim and send it to us, together with details of the level of payment you have received. We will deduct that payment from the amount we will reimburse to you in accordance with this policy.

It is your responsibility to inform us of the other insurer or other person liable to pay towards the cost of the healthcare service and to make every reasonable effort to obtain payment from them. We have the right to recover from the policyholder any payment made by Southern Cross for a healthcare service where the cost is recoverable from another insurer or other person.

If you have two or more policies with Southern Cross, you are not entitled to claim for, or be reimbursed for, an amount higher than the actual cost of the healthcare service provided.
What else do I need to know about my claim?

We reimburse claims either directly to the health services provider if prior approval has been obtained or you have visited an Affiliated Provider or claimed electronically via Easy-claim at a selected health services provider (and your claim has been accepted by us) or to the policyholder (current at the time the healthcare service was provided, not at the time the claim is submitted).

We may decline any claim that we reasonably consider to be invalid or unjustified. We may examine any claims for healthcare services and where appropriate investigate any aspect of the healthcare services provided.

If your policy is still in force and your premium is not paid up to date (by you and/or your employer) for the period in which treatment was received, then we will not pay your claim until we receive full payment of any arrears.

If the policyholder has been overpaid on any claims, we may seek to recover the amount incorrectly paid out.

Does Southern Cross have the right to deduct money owing from the payment of any claims I make?

Yes, if we are entitled to recover any money from you in relation to this policy at any time, we can deduct the amount you owe us from any claim payment or other payment we make to you.

If any claim or other payment we are due to make to you by cheque or otherwise remains unclaimed for two years or more, such payment may be applied for the benefit of Southern Cross.

Does Southern Cross not reimburse any health services providers?

We have set out elsewhere in the policy how we reimburse eligible healthcare services and any terms that may apply to such reimbursement. However, there may also be rare occasions where we will not reimburse particular health services providers for any healthcare services, for example in the case of fraud. In the rare circumstances that we do not recognise a health services provider for reimbursement we will first advise you that there would be no cover for any healthcare service if it is carried out by that health services provider. If the healthcare service itself is eligible for reimbursement we will of course be able to approve the healthcare service with another health services provider.
**HOW DOES MY SOUTHERN CROSS POLICY FIT WITH ACUTE CARE?**

This policy is designed to provide cover for eligible healthcare services and so we will not reimburse charges for acute care.

If you need acute care you should go directly to your nearest Accident and Emergency unit in a public hospital.

**HOW DOES MY SOUTHERN CROSS POLICY FIT WITH ACC?**

Your RegularCare plan will not provide cover for accident treatment or treatment injury expenses that ACC is legally responsible for. In some cases ACC will not pay the full amount charged for your treatment. In these cases you may be able to make a claim under your policy.

Special conditions apply to accident and treatment injury related surgery. Under the ACC legislation, you can choose between full cover (where your health services provider is fully contracted by ACC to provide your procedure at no cost to you) or partial cover (where your health services provider is partially contracted by ACC to provide your procedure and you will be required to contribute towards the surgery costs). The full cover option should be your first choice as you may not have to make any contribution to your surgery costs. By comparison, under the partial cover option you will have to make a contribution towards the costs of the healthcare service.

The following chart has been included to describe how your cover for healthcare services related to an accident or treatment injury works under your policy in an easy-to-understand format.

<table>

</tr>
</tbody>
</table>

You must first send us a copy of the decline letter from ACC. You will need to pay your health services provider for any treatment that you receive. We will then reimburse you the amount you are entitled to under this policy.

*If you withdraw from a review without consulting us we may seek reimbursement of any payment we have already made to you.
Existing medical conditions and commencement of cover

Are pre-existing conditions covered?

Health insurance is primarily meant to provide cover for the treatment of health conditions, signs and symptoms that arise after the policy has been taken out. There is no cover for pre-existing conditions under the policy unless we agree in writing to offer cover for pre-existing conditions.

However after three years of continuous cover a healthcare service relating to any pre-existing condition may be covered under your policy provided that the healthcare service is eligible for cover.

When the policyholder completed the Application Form for this policy the policyholder declared the conditions, signs, symptoms and events for which the policyholder or any dependant knew about at the date of application. We assess the conditions, signs, symptoms and events disclosed in the application and make a decision whether to offer cover for any pre-existing conditions or not. Pre-existing conditions which we know of at the time of issuing the Membership Certificate and which we decline to cover will be set out on your Membership Certificate.

The exclusions for pre-existing conditions (including any specific conditions listed on the Membership Certificate) are in addition to the standard exclusions noted in this policy document.

Declaration of pre-existing conditions

If the policyholder did not declare a pre-existing condition relating to the policyholder or any dependant on the Application Form, and the relevant person subsequently requires treatment, then we may decline cover for that pre-existing condition. In these circumstances, at the time we become aware of the pre-existing condition we will also add it to your Membership Certificate so that we have a record of the pre-existing condition.

When does cover under the policy commence?

The policyholder’s cover commences from the policy start date. Dependant’s cover commences from the date they are added to the policy. Newborn dependants added to the policy within three months following their date of birth are covered from the date of their addition.
Private healthcare services to which this policy applies

The Coverage Tables set out on pages 14 to 20 give details of healthcare services which are covered under RegularCare and RegularCare Budget, together with details of policy limits and other terms and conditions of cover.

List of Prostheses and Specialised Equipment

We publish a List of Prostheses and Specialised Equipment which outlines the prostheses, specialised equipment and consumables or donor tissue preparation charges covered by this policy. If a prosthesis is not listed in the List of Prostheses and Specialised Equipment, we will not provide cover unless we advise otherwise.

We may change the List of Prostheses and Specialised Equipment from time to time and these changes will be notified to you in the same way as any other changes to the policy, as set out on page 2 of this policy document.

Treatment in a public facility

Southern Cross does not pay for any healthcare service undertaken in a public hospital or facility controlled directly or indirectly by a DHB unless specifically accepted in writing by Southern Cross prior to any treatment.

Quality of healthcare services

We are not liable to you for the quality, standard or effectiveness of any healthcare service provided to you by, or any other actions of, any health services provider or any of their employees or agents.

Eligibility criteria

We may from time to time put new eligibility criteria in place or update the existing eligibility criteria.

Treatment overseas

There is an allowance for approved treatment not available in the public or private sector within New Zealand. This allowance is only to contribute towards the medical expenses you incur and does not pay towards accommodation or travel costs. The treatment must be recommended by a Specialist in private practice. Southern Cross must approve the treatment based on a medical report you provide before treatment takes place. Without this prior approval, the claim cannot be paid. Ordinary policy exclusions apply.
The following Coverage Tables set out the healthcare services included under RegularCare and RegularCare Budget. The Coverage Tables specify the policy limits and terms and conditions applicable to the listed healthcare services. The Coverage Tables should be read together with the List of Prostheses and Specialised Equipment, which is available at southerncross.co.nz/plans, or by calling us.

Eligibility criteria may apply to some procedures, please refer to southerncross.co.nz/eligibilitycriteria.

When reading the Coverage Tables you can refer to the chart on page 6 to understand how your cover will be calculated, and to the glossary of terms on page 29 for the explanation of all bolded terms. All figures include GST.

### Coverage Tables

For eligible healthcare services we will pay 80% of the actual cost of the healthcare service up to the policy limit for that eligible healthcare service. For RegularCare Budget, the excess will also be deducted as applicable.

SURGICAL TREATMENT THAT MUST BE PERFORMED BY AN AFFILIATED PROVIDER

The following surgical treatments must be performed by an Affiliated Provider to be eligible for cover under your policy. Unless you are advised otherwise by Southern Cross and/or your Affiliated Provider, we will pay 80% of the amount charged up to policy limits. Your Affiliated Provider will tell you what you are required to pay. To receive cover the surgical treatment must meet applicable eligibility criteria. Please be aware that not all surgical treatments are available from all Affiliated Providers or in all areas.

In this section, when we say **you/your** we refer to the **policyholder**.

**Who is responsible for my policy?**

As the **policyholder** you are ultimately responsible for this **policy**, for making any changes to it and ensuring the premium is paid. We rely on you to provide complete and accurate information about yourself and your **dependants**. Your **dependants** can perform certain functions in respect to the **policy** however you remain responsible for their acts and omissions.

**When does my policy commence?**

This **policy** commences on the **policy start date**. The **policy anniversary date** is the anniversary of the **policy start date**. The **policy anniversary date** is the same for all persons listed on the **Membership Certificate** as covered by the **policy** regardless of the **original date of joining**. If you change in any way the frequency or the manner in which you pay your premiums under the **policy**, then the **policy year** may be reset to start on the date of such change. The new **policy anniversary date** will be the anniversary of the date of the change.

If your **policy** is provided through a work scheme or association scheme, your **policy anniversary date**, however, is aligned to that of your scheme. This could mean that your first **policy anniversary date** may take place less than 12 months after the **policy start date**. However, from this time, the **policy anniversary date** will fall every 12 months unless changes are made to the scheme or you leave the scheme.

**Where will Southern Cross send communications about my policy?**

Unless otherwise advised, or unless you have chosen to receive communications electronically via My Southern Cross, we will send every notice or other communication required to be sent by Southern Cross relating to you, this **policy**, or any **dependant**, to you at your last known address and such notice shall be considered to have been delivered three days after having been posted.

You must immediately notify Southern Cross of any change of postal, residential or email address.

**When can I add dependants on to my policy?**

You can add **dependants** on to the **policy** at any time, excluding children aged 21 years or older. You will need to complete a medical declaration for the **dependant** being added. We will determine whether we will cover any **pre-existing conditions** disclosed on the medical declaration. Cover will commence on the date the **dependant** was added to your **policy**.

If you wish to add a newborn **child**, the application must be submitted within three months of birth. Provided you have held your **policy** for more than three months at the date of application, the **child** will have cover for **pre-existing conditions** as long as they are not excluded under the general terms of this **policy** or are not **congenital conditions** or **chronic conditions** excluded under the exclusions section of this **policy** document. Cover will commence on the date the **child** was added to your **policy**.

If you have not held your **policy** for more than three months at the date of application or don’t add the newborn **child** before he or she is three months old, you will have to complete a medical declaration for the **child** and we will determine whether we will cover any **pre-existing conditions** disclosed on the medical declaration.

Premiums for **dependants** added will be charged from the date of the addition of the **dependant** as part of your normal billing cycle. You are responsible for payment of premiums in respect of any **dependant** added to the **policy**.

**How long can my adult children stay on my policy?**

Your children are charged at the **child’s rate** until they reach 21 years of age. On reaching 21 the premiums payable in respect of your children will be based on their age but they can remain on your **policy**. **Adult** children will automatically remain on your **policy** unless you, your work scheme or association scheme specifically request us to remove them.

If you wish to remove them from your **policy**, and they would like to continue cover with Southern Cross, they should apply for their own Southern Cross membership.

If they apply for the same level of cover as they had under your **policy** and they apply within one month of being removed from your **policy** they will not need to complete a new medical declaration.
How do I remove dependants from my policy?

The removal of a dependant can take place at any time – you should request to remove the dependant in writing or by calling Southern Cross. It is the responsibility of the policyholder to remove dependants from the policy where the circumstances change so that the policyholder no longer requires the dependant to be covered by the policy (for example, following a marital separation or a death).

You should note that if a dependant is removed from the policy and subsequently added back on, you will have to complete a new medical declaration for them. They will not have cover for pre-existing conditions existing prior to the date they are added back on to your policy.

When can I change my cover? Can I upgrade or downgrade my policy?

You can upgrade or downgrade your policy at any time by contacting Southern Cross. The change will take effect from the date we advise. Upgrading or downgrading your policy can affect your cover for pre-existing conditions, annual limits, excesses, loyalty periods and premiums so it is important you discuss your proposed changes with us to fully understand the implications of upgrading or downgrading your policy.

In particular you should note:

- if you upgrade or downgrade your policy any pre-existing condition exclusions affecting you or any dependant will remain;
- if you upgrade or downgrade your policy the claims year and excess for you and each dependant will start over again from the date of the upgrade or downgrade.

What is a claims year and how do annual limits work?

You and all of your dependants have the same claims year regardless of when a particular person was added to the policy. Annual limits applicable to RegularCare plans last for the duration of a claims year and revert to their maximum levels at the start of each claims year. If any dependant is added to the policy part way through a claims year that dependant will have the same annual limits as the people covered under the policy from the start of the claims year.

Annual limits cannot be carried over from one claims year to the next, nor can they be transferred to other people covered under the policy.

A claim is allocated against the annual limit based on the date when the healthcare services are provided, and not the date of the invoice or the date a claim is submitted.

You should note that in relation to some healthcare services, in addition to an annual limit there are other policy limits. These limits are all set out in the Coverage Tables and the List of Prostheses and Specialised Equipment.
How does Southern Cross calculate ‘continuous cover’ for some of the elements of cover?

‘Continuous cover’ means that the person covered by the policy must have had no break in cover for the particular healthcare service in this plan to which the continuous cover qualification relates for the specified minimum period. Periods when the policy is suspended in relation to that person while that person is travelling overseas count as part of continuous cover. However, if that person is a dependant who is taken off the policy for any period and then added back on, then that will break the period of continuous cover.

I am going to travel overseas for a while, can I suspend my policy until I return?

It is possible to suspend cover under the policy in respect of you or any of your dependants, for a period of 2 to 12 calendar months if you, or that dependant, are going to be overseas. There are certain conditions that apply as set out below. Each of these conditions relates personally to the policyholder or each dependant who is travelling, and wishing to suspend their cover:

• you or your dependant must request suspension in writing before leaving New Zealand;
• you or your dependant must have been covered by the policy for at least 12 continuous months up to the date the suspension is to take effect;
• the period of suspension must be between 2 and 12 calendar months;
• you or your dependant can each suspend cover up to three times per lifetime only;
• you or your dependant must be continuously covered under the policy for a period of 12 months between the end of the last suspension and the commencement date of the next suspension.

If you or your dependant are leaving New Zealand for a period greater than 12 months, call us to discuss options available to you.

What happens to my policy if I give Southern Cross incomplete, false or misleading information?

For non-disclosure or misrepresentation of a pre-existing condition we will add such condition to your Membership Certificate and may decline any related claim. We may cancel this policy on written notice to you for any other non-disclosure, misrepresentation, fraud or material breach of the terms of the policy by you or any dependant and/or we may take legal action against you and/or your dependant (as applicable).

Before we cancel your policy for any of the reasons set out above:
(a) we will notify you in writing of the reasons why we are considering cancellation; and
(b) you will have not less than seven days to provide any written response you wish to be considered by us before we make our decision.

If you are unhappy with our decision to cancel you may consider the matter deadlocked and refer it to the Insurance & Financial Services Ombudsman in accordance with the relevant complaints procedure.

How do I cancel my policy?

If you are joining Southern Cross for the first time and are not satisfied with the policy during the first 14 days after the date you have received this policy document and your Membership Certificate, you can cancel the policy and we will provide a full refund of all premiums paid. You can only do this if you have not made a claim under the policy during this period. If you wish to cancel the policy within the 14 day period please contact us.

You can cancel your policy at any other time but if you do so you will not be entitled to a refund of any premium already paid to us and you will remain liable for premium due up to the date the cancellation takes effect. Cover will be provided until the date the policy is paid to.

Nothing in this policy limits or affects any rights you or any dependant may have under the Consumer Guarantees Act 1993.

What happens if I do not pay my premium?

If you or your employer do not pay your premiums we will be unable to issue prior approval or pay claims under your policy.

If you or your employer don’t pay premiums for three months or more, we will cancel your policy.
Your regulatory protection

PRIVATE STATEMENT

Privacy of information relating to you is governed by the Privacy Act and in relation to health information, by the Health Information Privacy Code.

How may Southern Cross use your information?

You authorise us to use information about you for the following purposes:
• to consider your eligibility for cover under the policy;
• to consider the specific terms applying to the policy (including any pre-existing conditions);
• to administer the policy and your membership with the Society including general meetings;
• to consider whether any healthcare service is eligible for cover under the policy;
• to contact you from time to time, including within a reasonable time of you ceasing to be covered by the policy, with information about products and services relating to us, other 'Southern Cross' branded businesses, and our business partners;
• to conduct analysis and research;
• to compare with information about you held by our business partners, so we can provide you with information about relevant products and services relating to us or our business partners;
• to process, investigate and review any claims made and or paid (including historical claims);
• to prevent, detect and investigate any fraud including where in our reasonable opinion we suspect any fraud; and
• to comply with laws and regulations.

Who may Southern Cross collect your information from?

You authorise us to collect information about you for the above purposes, directly from you, or from:
• the policyholder (eg directly from the policyholder via the application form and claim form);
• the husband / wife or partner of the policyholder (provided they are covered by the policy);
• a previous Southern Cross health insurance or Critical Illness policy (including previous application(s), Membership Certificate(s) and or claims);
• health services providers (including Affiliated Providers), approved facilities, and medical authorities (including ACC and Ministry of Health);
• ‘Southern Cross’ branded businesses and our business partners;
• the adviser associated with the policy;
• the Group Administrator, if the policyholder is part of a work scheme or association scheme for the purpose of administering premiums (if applicable) and verifying the policyholder’s eligibility to be part of the work scheme or association scheme (excluding the collection of health information); and
• any other third party authorised by the policyholder or adult dependant.

You also authorise the disclosure of such information by such parties for any of the above purposes.

Who may Southern Cross disclose your information to?

You authorise us to disclose information about you for the above purposes, directly to you, or to:
• the policyholder;
• the husband / wife or partner of the policyholder (provided they are covered by the policy);
• relevant health services providers (including Affiliated Providers), approved facilities and medical authorities;
• any third party authorised by the policyholder or adult dependant;
• the adviser associated with the policy (including disclosure of health information);
• the Group Administrator if the policyholder is part of a work scheme or association scheme for the purpose of administering premiums (if applicable), including the disclosure of premium information about any dependants on the policy (if applicable), and verifying the policyholder’s eligibility to be part of the work scheme or association scheme (excluding the disclosure of health information);
• other ‘Southern Cross’ branded businesses and our business partners; and
• any other party as required by law.

All communications from us relating to you, whether or not you are the policyholder, will be sent to the policyholder. This means that your personal and health information will always be disclosed to the policyholder, including when you make a claim, and you authorise this disclosure.
Is your information secure?

We endeavour to protect your information from loss, unauthorised access, modification or disclosure and or misuse in accordance with the Privacy Act and Health Information Privacy Code. Please note we may also record calls for training and audit purposes and for dispute resolution.

How can you access and correct your information?

You are entitled to have access to and request correction of any of your personal information or health information held by us. Please contact us on 0800 800 181.

We endeavour to ensure that the information we collect, store, use or disclose is accurate, complete and up to date. Prompt notification of any changes to your contact details will help us to do this.

From time to time Southern Cross may send you marketing and other information electronically such as by email or text message. If you have provided your email address or mobile phone number we take this as your implied consent to us doing this. If you wish to withdraw your consent at any time please contact us.

If you do not provide us with your information, what then?

If the information provided to us is not accurate or complete we may not be able to process the application or claim, or it may result in us not being able to provide you with cover until such information is provided. The consequences of providing incomplete, false or misleading information are set out in your policy document.
