

Wellbeing One and Wellbeing Two modules

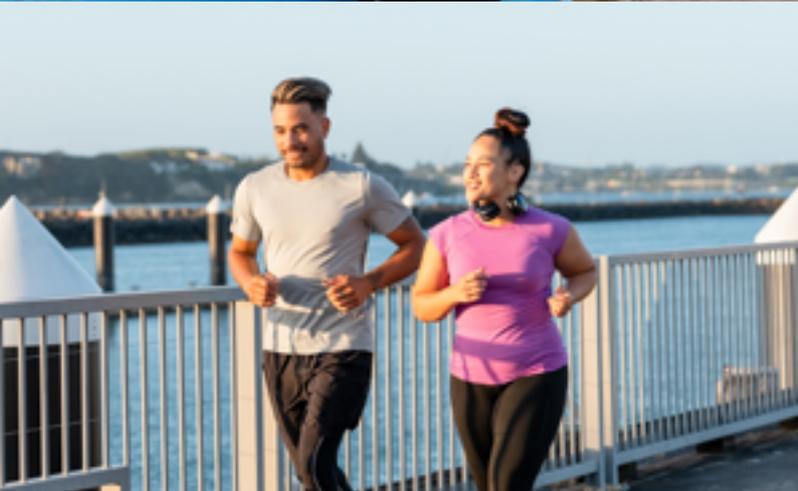

Benefit summary

Modules can be added as an optional add-on to **Wellbeing One** and **Wellbeing Two** to provide extra cover.

TAILORING YOUR COVER

You can add a module that includes GP services, vision and dental benefits, or a range of preventative and natural healthcare services.

Modules that can be added to **Wellbeing One** and **Wellbeing Two** plans

This is only a high-level summary of the benefits available under the Wellbeing modules. It does not form part of your contract with Southern Cross Medical Care Society. It is intended as a guide to help you understand what is covered by each module.

For full policy details, including benefit terms and conditions and policy exclusions, please refer to the full **Wellbeing One** and **Two** policy document available on our website southerncross.co.nz/plans where you can also view the other documents that form part of the **Wellbeing One** and **Two** plan which may change from time to time, including the eligibility criteria, the list of unapproved healthcare services, the list of prostheses and specialised equipment, the list of Affiliated Provider-only healthcare services and the list of policy variations. You can also contact us directly to request copies.
